ONLY SLIGHT CHANGES WILL BE MADE IN MUNICIPAL BOUNDARIES

By T. W. PUE

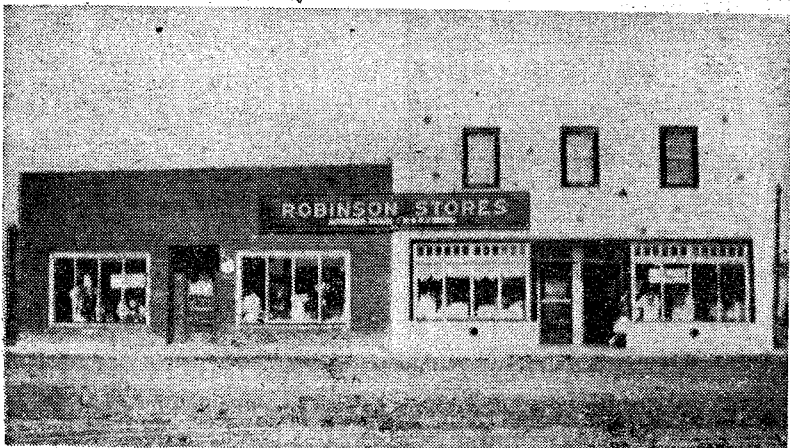

MEANOOK — Only slight changes in the boundaries of the Athabasca Municipal and School Districts and the Lac la Biche School Division will take place. This information was given to the Council of the M.D. of Athabasca by the Co-Terminus Boundaries Commission.

It is likely that a few sections will be taken out of the eastern side of the Municipal District and put back into Improvement District No. 102. Some sections will be added on the western end of the Municipal District.

The Athabasca School Division will still include areas outside the Municipal District, along the highway to Slave Lake. In this respect the boundaries will not be "co-terminus." Some objections at changes to be made, in the

Atmore districts have been mooted. However, the Commission has a good record so far of having had all their recommendations accepted by the Executive Council of the Province, and it is doubtful if any change will be made in the Commission's recommendations.

There is no present suggestion that a Municipal District will be formed of L.I.D. No. 102. The area east of M.D. of Athabasca will continue indefinitely as an Improvement District.

THIS IS A VIEW of Robinson Stores, operated in Lac la Biche by M. W. Patterson. Although each Robinson Store is individually owned, they all benefit by a wider range of merchandise and lower prices made possible by the group operation.

Calgary Power to Take Over Electric Light Plant January 1st, 1955

By T. W. PUE

BOYLE — Agreement, subject to ratification by Boyle ratepayers at a plebiscite to be held Aug. 31 has been made by Calgary Power Co. Ltd. to buy out the local electric plant and power distribution system.

The Village Council has called for a plebiscite for Tuesday, Aug. 31, at which ratepayers will be asked to approve giving a franchise to Calgary Power to supply electric power to the village.

G. M. Shavolin & Son, operating Boyle Electric Supply have sold the power generating units and all wiring and equipment except the lot and building, subject to granting of the franchise.

It is understood the company plans on extending their power lines north from Newbrook this fall in time to supply the village system by Jan. 1.

During 1952 Canada supplied more than four-fifths of the world's exports of newsprint.

Canadian public libraries carry 6,800,000 books.

Building Addition To House, Store

LAC LA BICHE — Eli Tkachuk, owner and operator of Eli's general store here is putting on a 24'x20' addition. The new section will be used for living quarters and permit use of the present rooms as an office and additional display space for merchandise. Ray Tkachuk and Mike Tupechka are doing the construction work.

Mr. and Mrs. Tkachuk have been in business since 1950, at which time they came to town and purchased the store.

Ed. Donnelly Guest At Party

FREEDOM — A surprise birthday party was held for Ed Donnelly at his home on Saturday evening.

Guests who helped celebrate the occasion were Mrs. Amesley, Miss Vern. Fountain, Franklin Marquette, Mr. and Mrs. Ray Marquette, Mr. and Mrs. Fred Meyer, Mr. and Mrs. Dick Meyer, Mr. and Mrs. Joe Smith Jr., and Mr. and Mrs. Aino Carlson.

A delicious lunch was served by Anna Donnelly.

Shank Family Moving In From B.C.

ATMORE — Early in the spring Mr. "Larry" Shank came here and took over the blacksmith and welding shop of Victor Genoud. This week Mr. Shank's family consisting of Mrs. Shank, and four children are scheduled to arrive. They are: Lawrence 10, Verna 8, Terrance 7 and Delores 6.

Rev. Fr. Genoud is to bring them in his car from Radium Hot Springs, B.C. accompanied by Mr. Shank.

Mr. Shank is a native of nearby Athabasca, while Mrs. Shank comes from Swan River, Man., where "Larry" once operated a blacksmith shop. In Atmore the family will live in the house alongside the shop.

Walter Pruss Laid To Rest

FREEDOM — Walter Pruss Sr. passed away on Tuesday, July 27 in an Edmonton hospital. The funeral service was held on Friday, July 30 in the Christ Lutheran Church at Mellowdale.

Mrs. Reich Passes Away

FREEDOM — Mrs. Hedwig Reich, wife of Paul Reich of Freedom, passed away at the Barrhead hospital on July 26 at the age of 63 years. The body was taken to Lethbridge for burial in the family plot in Mountainview cemetery.

MacFarquhar's funeral home of Barrhead had charge of arrangements.

Venice Priest Gone To New Mexico

VENICE — Rev. Fr. Ludo, who has just completed 3 years of service in the St. Paul diocese has left to take over parish duties in New Mexico. Until the bishop appoints a new priest to replace him, Rev. Fr. McGrane will hold services at Venice and Hylco.

First mass with Father McGrane was scheduled for 4 p.m. Sunday, Aug. 8 with regular times to be announced later.

Provincial Gov't. Will Lay Sidewalk

PLAMONDON — Being a hamlet within the Improvement District administered by the Dept. of Municipal Affairs has to look to the Provincial Government for all street work done. Plans are now going ahead for 500 feet of cement sidewalks to be laid four feet wide and 4 to 6 inches thick.

Another piece of building to be done will be an addition to the school, to be erected this fall.

Local Store Benefits Customers By Wide Range Merchandise, Low Prices

M. W. Patterson, owner and operator of Robinson Stores in Lac la Biche is a firm believer in the modern merchandising systems that characterize operation of all stores in the group.

Not all Alberta towns have a Robinson Store, but those that do can offer shoppers a much wider range of merchandise at low prices. Mr. Patterson says the whole organization is keyed to anticipating the shopping requirements of customers, and keeping in stock the items most likely to be in demand at any particular time.

New Four-Roomed School Can Be Extended To Ten Rooms Later

LAC LA BICHE — The newest idea in school building has been started here last week. Forms have been laid to pour concrete foundations for a new 4-roomed school next to the present west-end school.

The building is being put up by the Lac la Biche School Division under the direction of D. Juncas, foreman. It will have no basement or second storey—all rooms will be on ground level, except the furnace room which will be under the class rooms.

Depending on future enrollment, the new school can be increased to as large as 10 class rooms. It is intended to accommodate the lower grades and should be occupied by the children and their teachers some time this fall.

Bibles Placed In New Hotel

Recently 25 copies of the Holy Bible have been placed in guest rooms of the new York Hotel in Lac la Biche. The books were provided by the Gideons, an association of Christian businessmen. Placement was arranged by the Edmonton Camp of the Gideons.

LAC LA BICHE CADETS ARE HOSTS TO WETASKIWIN GROUP

LAC LA BICHE — The Annual Sea Cadet camp has concluded here with members of the Lac la Biche Sea Cadets and Wetaskiwin completing an eight-day camp period. Rev. Fr. McGrane was in command, with J. B. Bouvier taking charge of the catering.

This year the Lake water is so high it was impossible to drive cars and trucks to the camp site. The area occupied by the camp is a virtual island. Consequently, supplies and provisions had to be taken to the camp by boat. Exeter II

Story Of the "Thief Who Came to Dinner"

EDMONTON (BUP) — Edmonton police are looking for the thief who came to dinner.

Adam Fulton reported that a thief who took a cigarette lighter and tie clip from his home while he was away left dirty dishes from several meals; and the bed had been slept in.

A note pinned to cupboard door said: "I thank you for the use of your house."

Constant Rains Bring First Flooding

PLAMONDON — Never in the history of Plamondon Mercantile, operated by Philip Plamondon here, has the basement of the store flooded, until last week.

Constant, steady rains, day in and day out, have so saturated the ground around the store that considerable water seepage has flooded the basement. Last week Mr. Plamondon had an electrically operated water pump drawing the water out of the basement.

Recovering From Illness

LAC LA BICHE — T. B. Lett is gradually regaining strength after a long illness that resulted in his spending a month in hospital at Lac la Biche and Edmonton. He is now able to spend some time up out of bed each day.

was used for this purpose.

New additions to the "fleet" are two 27 ft. Naval cutters brought in from Wetaskiwin and Wainwright. Each cutter is equipped with ten oars, manned by sea cadets who row the cutter anywhere on the lake.

The lagoon on the shoreward side of the camp has served this year as a perfect harbour in which to dock the two cutters and the motor launch, Exeter II.

Sea Cadet On East Coast

LAC LA BICHE — Ronald Lloyd, son of Mr. and Mrs. Agnew Lloyd of Lac la Biche—a member of Fr. McGrane's Sea Cadet Corps—has gone to Halifax, N.S. There he will take a communications course at HMCS Cornwallis, and extension to his sea cadet training.

Must Await New Crop
For Further
Deliveries

LAC LA BICHE — John G.
Hackman, grain buyer for United
Grain Growers here says that
there is practically no more dis-
trict grain in farmers' hands left
over from the 1953-54 grain crop.
At present there is storage space
for 5,000 bushels in the company's
elevator here but it is doubtful
if it will be filled before the new
crop is ready for market.

Mr. Hackman says the new de-
livery quota regulations allowing
for 1,000 bushels of oats or barley

in the new crop year indicates a
keener demand for these grains.
He has shipped no cars since April
but expects to get another car or
two soon to provide space for the
new deliveries expected when
threshing commences.

The 1954-55 crop will be reduc-
ed by a known 20% reduction in
acreage sown and this may be
still further reduced by poorer
yields.

"By 1970 Canada will have
1,500,000 people over 65, a pool
of highly skilled and dependable
labor which industry would be
foolish to overlook." — J. D.
Morgan, Toronto industrialist.

CITY EMPLOYEE CHARGED WITH ASSAULT ON 5-YEAR-OLD BOY

EDMONTON (BUP) — An Edmonton man, charged with assault causing actual bodily harm to a small boy, was remanded until today.

City employee Stephan Hrycoy was charged Wednesday of last week, when Mrs. Joyce Rintoul, of 32 Le Marchand Mansions, told police her 5-year-old son, Michael, had been struck on the face with a piece of wood.

The child was taken to hospital suffering with a cut on his left cheek which needed ten stitches to

close. A doctor at the hospital said the boy would be permanently scarred.

Hrycoy, a foreman of a city works project, told police he found three children playing around a trailer and told them to go away.

He said when they refused to go, he picked up a piece of wood and threw it.

High Quality Exhibits At Fair

COLINTON. — Rain hampered the activities of the Fair of the Athabasca and District Agricultural Society, which was held at the Athabasca School last Thursday. Exhibits of both handicrafts and livestock were cut to a minimum due to poor road conditions which hindered exhibitors from getting to the show. The showing of various types and lines of machinery also had to be curtailed. Even the midway was unable to get through, and was reported mired down at Barrhead. In spite of all setbacks, there was a fair crowd in attendance, and while the exhibits were not as many as anticipated, they were of exceptionally high quality. Allan Brooks and Doug Homershan from Radio Station CJCA were in attendance, and during the course of the day interviewed several officials and exhibitors of the fair. This was recorded and put over the air on the Canada Packers Farm Show at 12:15 noon. Those interviewed were Mrs. Wolfer, secretary of the Club, Mrs. R. N. Russel, Mrs. J. Walli, Mrs. Joe Clark, and Mrs. Otis Nelson.

In 1916 the Company ceased its Colinton and Athabasca interests, and Mr. Jack bought out their Colinton interests and established the Colinton Lumber yard, which he has been operating ever since.

At present Edgar Langley and Mrs. Olga Huberdeau are clerking in the new store.

What's in a Name?

In all of Canada there is hardly a family that does not know the name of EATON'S. Beginning with the grandfathers of today's grandsons, the name has had its own particular meaning.

Since 1869 the one EATON'S name has served one small community has become a nationwide organization, larger and more dependable than any other in the British Commonwealth. The growth has been gained through good service, not price, value, and the willing, honest, back guarantee, and the willing, honest, back guarantee, for 85 years under the management of the Eaton family.

All these things are in a name — in EATON'S name — a distinctly Canadian name.

What's in a Name? In the EATON'S catalogue, when you see the name, you will find the shopping selection, the value, the guarantee, and the downright honesty that have given special meaning to the name of EATON'S.
